INDUSTRY CONFERENCE

SEPTEMBER 28 - 29, 2026

2026 NYSCLA INDUSTRY CONFERENCE

The NYSCLA Industry Conference is designed as a high impact meeting for laboratory executives and administrators who need to know what is happening in the industry and want an update on the national and state specific legislative and regulatory issues being addressed. The conference features a series of informative sessions about legislative, regulatory and reimbursement issues as well as timely technical presentations.

SECURE YOUR SPOT TODAY!

Your sponsorship of the NYSCLA Industry Conference allows us to provide an intimate forum for key decision makers – CEOs, Presidents, Laboratory Executives and Medical Directors – to network with you and each other while attending. This conference is one of the few meetings with laboratory decision-makers at all levels, so that sponsors and exhibitors can directly reach their intended audience.

ABOUT NYSCLA ▶

NYSCLA is the only statewide association of clinical laboratories in New York. We represent all types of laboratories from major reference laboratories to small independent laboratories; regional laboratories from New York City to Upstate and Western New York; and hospital and health system laboratories serving small communities to large medical centers providing services in urban areas throughout the state. NYSCLA members also include out-of-state laboratories that are licensed to accept New York specimens, consultants and vendors serving the laboratory industry, and laboratory professionals.

SPONSORSHIP OPPORTUNITIES (Please complete the below form and return to info@nyscla.com)

The venue offers a welcoming and dynamic setting that keeps sponsors and exhibitors highly visible throughout the event. Its open, spacious layout ensures consistent connection with delegates, creating natural opportunities for meaningful conversations.

Sponsors will benefit from multiple touchpoints built into the program. This includes networking time during Monday's arrival and evening reception. On Tuesday, sponsors will receive added visibility through a breakfast with sponsors, formal sponsor introductions, and dedicated morning and afternoon session breaks designed to encourage interaction. These moments help ensure steady engagement with laboratory executives and key decision-makers.
